Dear Parents and Carers

LATEST NEWS

FIELD DEVELOPMENT

I hope everyone had a good break and feel refreshed for the final half term of the school year.

The field development has finally started, and hopefully will be completed as soon as possible. We have several restrictions in place, but we have kept the paths open around the school. This will unfortunately lead to the paths and driveway being dirty for a few weeks, but there is a lot of movement to and from the site.

The driveway remains open at the beginning and end of the school day for pedestrians to use, with the one way system in place on Heys Street, entering up the pedestrian path, and exiting down the driveway.

There are no deliveries or site movement allowed between 3.10 and 3.40pm, and 8.30-9am in the morning, to give priority to keeping all parents and children safe when leaving and entering school.

SCHOOL TRIPS

Our school trips continue this week, with Year 6 going for a three day residential visit to Borwick Hall on Wednesday, followed on Friday by Reception and Year 1 visiting Blackpool Zoo. Years 3 and 4 are visiting Martin Mere on 30th June.

SPORTS DAY

Thank you to all the staff and children for their efforts during Sports Day. There was some great racing, and all children had smiles during and after competing, which is the best result. Thank you for so many parents and family members giving up your time to support your children, it is much appreciated.

SPORTING COMPETITIONS

We continue to participate in sporting events this term, including Athletics, Rounders and Tag Rugby. On Wednesday 23rd June, at approximately 10am, we are taking part in the Commonwealth Games Baton Relay, receiving it from Thornton Primary before a group from Year 6 run down to Royles Brook (via Spar) with the baton!

THE LITTLE MERMAID

We are hosting The Little Mermaid show, featuring children from Years 3 to 6, for parents and family members on Thursday 7th July and Friday 8th July, in the Infant playground, at 4pm.

We are experimenting this year with an outdoor show. This will allow more people to attend to watch, as the hall capacity has to be limited (as in previous years). We have our staging and sound system available for the shows. The children, staff and volunteers have worked extremely hard to put on the show, and we hope everyone who attends enjoys the experience.

Yours sincerely

Mr P Eaton
