Dear Parents and Carers

RACE4LIFE

Thank you to all parents and family members for supporting your child at our Race4life. The children were fantastic, running in the rain and helping each other, and encouraging each other throughout. Thank you to so many adults for joining in, and participating with our Dance warm up too! It was an astonishingly successful event, and so far we have raised over £1500 for Cancer Research, which is amazing! Thank you to everyone who has contributed, it is very much appreciated.

The donation page will remain open for a while longer, and it is available on the link below:

MUSIC TUITION

We have some availability for September for Music lessons, for guitar lessons, keyboard and singing. Please see the office for more details. Music lessons are available from Year 2 onwards. Choir will also be available in September too.

SCHOOL DINNERS

Thank you to the vast majority of children who have a school dinner each week. The uptake across the school is a record 84%, and many staff partake too! Unfortunately due to financial pressures and inflation, we are raising the price by 15p per meal, to £1.90 from September 2023. We apologise for this, but we are still offering the cheapest school dinners in the area. We are determined to keep costs down for all of our services, including uniform, trips, breakfast and after school club, and music tuition. Please contact the office if you believe you may qualify for free school meals, as this is beneficial for holiday vouchers too.

Yours sincerely
